

Dedication

“I would like to dedicate this Vietnamese book to all VEF Fellows and their families. These Fellows of the Vietnamese Education Foundation are among the best and the brightest of Vietnam. They all earned Masters and PhD degrees in the U.S and serve as enduring bridges between Vietnam and America. They dare to dream big and have the talents to succeed, and will make a powerful impact in our world.

I also want to dedicate this book to my old friend Kien Pham, one of the bravest and most generous people I know, and for Hung Tran, Thuy Do, Tung Hoang, and Nhung Vo – you will always have a place in our hearts here at Values Coach and there will always be a cubicle here for you any time you want to come back to work for us again.”
