

How to Apply to US Graduate Schools

Bởi:

Minh N. Do

Goal

- Get admission, with financial aids, into top US graduate schools
- This talk provides a faculty perspective:
 - How do schools and professors select their graduate students?
 - What is a strong graduate school application?

How to achieve this goal?

- Be confident: everybody can go to study broad
- Know where the opportunities exist
- Know what the schools and professors want
- Prepare your applications tailored specifically for them
